

20' Storage Container

Tri-Boro Trailer provides 20' ground-level storage containers to safely store equipment and other belongings. These containers are constructed completely of heavy-duty steel, yielding a maximum level of security.

Tri-Boro Trailer's storage units are accessible at ground level eliminating the need for steps, and in turn the chance for injury. For construction, commercial, industrial, retail, municipal, or personal use, these storage containers are a great solution for temporary storage space.
